

# Highlands Christian Academy Freshmen Action Plan

## Fall

1. **Start strong.** Colleges and employers will see the grades you earn your Freshmen year
2. **Take your classes seriously.** You may think you will never use what you are learning, but your foundation is being built for later successes.
3. **Plan to take honors and advanced classes as soon as they are available to you.**

## Winter

1. **Study for exams.**
2. **Consider visiting some colleges while they are in session**
3. **Talk to family and friends who may be home from college about their experiences and what it took for them to get in.**

## Spring

1. **Stay focused.** The year is almost over but your grades are still coming.
2. **Finish strong.** Study for end of the year exams.
3. **Plan on taking challenging classes next year.** Honors classes are available. By finishing strong you show your teachers that you are ready for the challenge.

## Summer

1. **Be Wise. Be smart. Be in prayer.**
2. **Consider visiting colleges in the area or during a vacation**
3. **Prepare now to succeed as a sophomore.**
4. **Be ready to take challenging classes.**
